

## ITEMS TO COLLECT (Updated List 6/22)

Each student will be checking in one medium/large suitcase with items on the collect list. These items will be given away to the families when we visit the villages, children's hospital and orphanage. Toys and clothing can be gently used. This is a great time to clean out your closets and get your friends involved. Place all items in your rolling suitcase (cannot weigh more than 50 lbs) and bring with you on July 26th Packing Day.
